**Ref: Schengen Tourist Visa Applications for SUPRIYO KUMAR HALDAR (Passport Number – P4261464) & NANDITA HALDAR (Passport Number – P3480180)**

Dear Madam/Sir

I am writing to you to confirm that I am working with Tata Consultancy Services Ltd. (UK corporate office address – 5<sup>th</sup> floor, 2, Derry St, Kensington, London, W8 5TT) and living in the UK under Tier 2 long term ICT Visa Category (copy attached) with my wife (SOUMITA DHAR) and son (SOUMAK DHAR) and my address of residence is 18/3 Dunsmuir Court, Edinburgh EH12 7TD.

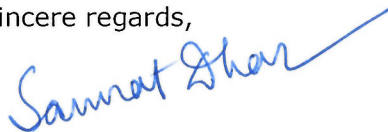

My parents in law, Mr. Supriyo Kumar Haldar & Mrs. Nandita Haldar would like to visit us for around 6 months to spend time with us in July 2018. While they would be staying with us, we wish to tour Europe together. We have already booked a packaged 7 day Europe tour (03/09/2018 - 09/09/2018) from startours.co.uk, return travel reservations from London and our accommodations in Schengen region are managed by the tour operator. Our Entry point in Schengen area would be Calais in France and maximum stay would be in France too. I confirm that I will fund all aspects of their travel, accommodation and maintenance related to their visit to the UK and Europe.

All the required documents are provided with their application.

I will be grateful if you consider their visa application favorably and issue them the visa to tour Schengen countries.

Thanking you.

Sincere regards,
